

Sing for the Climate (Do It Now!)

Music: Traditional, Lyrics: Nic Balthazar / Stef Kamil Carlens, 2012
Arranged by Diana Porter 2015

1. We need to wake up, we need to wise up

We need to open our eyes

And do it now now now

We need to build a better future

And we need to start right now

2. We're on a planet, that has a problem

We've got to solve it, get involved

And do it now now now

/: We need to build a better future

And we need to start right now :/

3. Make it greener (make it greener)

Make it cleaner (make it cleaner)

Make it last, make it fast

And do it now now now

We need to build a better future

And we need to start right now

4. No point in waiting or hesitating

We must get wise, (take) no more lies

And do it now now now

/: We need to build a better future

And we need to start right now :/
